

# Fifth Grade Summer Assignments

Upon return to school, the students will be responsible for the math concepts and summer reading assignment listed below.

## Math Concepts

- Multiplication and division facts to 12
- Practicing word problems that use those facts

### **Math Websites to practice these skills**

Go to the PSE website

Click on Summer Reading and Math Practice

Click on Directions for Rising 5<sup>th</sup> Graders

Click on Math Games

**OR**

Go to the 5<sup>th</sup> grade webpage

[j.mp/pse5](http://j.mp/pse5) (no www)

Click on Rising Fifth Grade

**Note: Multiplication facts will be tested the first week of school.**  
***This will be a timed test with 30 facts in one minute counting as the first math grade of the year.***

## Required Reading

Each rising 5<sup>th</sup> grader needs to choose one book from the 5<sup>th</sup> grade list to read over the summer. Students are expected to complete the attached assignment. Students will be quizzed on the content of the story the first week of school, and will be expected to participate in a seminar based on the story.

- *The One and Only Ivan* by Katherine Applegate
- *Pinballs* by Betsy Byars
- *Stormbreaker* by Anthony Horowitz
- *Number the Stars* by Lois Lowry
- *The Hobbit* by JRR Tolkien

Please detach and send back to school.

\*\*\*\*\*

I understand that I am responsible for practicing my math facts and completing my summer reading assignment. I understand I will be tested on my math facts and that my summer reading graphic organizer will be collected, and I will be quizzed on my summer reading book.
